OLD FORGE LIBRARY

SUMMER 2013

President's Message

I've been an Old Forge Library user for a long time, but every once in a while, I'm made aware of a library service that had skipped my notice. A recent fall has left me with a broken foot, getting around on crutches (or lately with a cane). Although my situation is temporary, this experience has really opened my eyes to how difficult it can be to get around for someone with any kind of a disability. One place that has given a lot of thought to the needs of people with disabilities is our library. Whether it's the ramp adjacent to a convenient parking area, the lift giving access to the second floor, or the library's open floor plan, we are readily and easily accessible to all. It's one more welcoming feature we're proud of.

See you at the library this summer—hopefully on two sound feet!
